New Gates

AS most of you will have noticed we now have a pair of smart new gates at the entrance to the club, secured with a combination lock.

The combination is **** (*posted versions only*).

Please remember this number for your own use, but let's try to keep it within the club.

If you open the gates, please make sure the lock itself is immediately closed again while the gates remain open. Please don't leave the numbers obvious; give them a twirl.

Thanks to Alan Barrie and Norman Carmichael for organising the installation of these gates.

MIRROR CHAMPIONSHIPS

THE Scottish Mirror Championships are scheduled for July 5th and 6th at ASC.

We're expecting visitors from quite a distance to compete and it would be nice to see some of our home-spun talent out there giving them a run for their money.

Don't be intimidated by the high powered title; anyone with a Mirror is encouraged to give it a go. All standards welcome.

New Warden

Former ASC member Ross Gemmell has been appointed the new warden for the Castle Loch.

Congratulations to him, we'll look forward to seeing him around again.

TRAINING WEEKS

Duncan is still keen to hear from members who can give a bit of time to the summer training weeks. There are lots of jobs to be done not just instructing so everyone is welcome to assist.

Give him a ring on 01461 40581
