Sat 23/11	Jetty Out	10:00		
Sat 23/11	End of season celebration and prize giving	19:00		

Racing

Class Races – All Thursday races are run on a class basis. Slow handicap, fast handicap and Laser classes can be run, numbers permitting, and separate starts will be offered, at the discretion of the OOD and numbers permitting.

Handicap Races – Most Saturday and Sunday races are run on a boat handicap basis

Scoring – Low points scoring system will be used for scoring all series.

Club championships – The Club, Ladies and Junior Championships will be calculated from results from the following series: Early Bird (eight races), Spring Handicap (ten races), Summer Handicap (ten races), Autumn Handicap (eight races), Winter Cup (eight races). Plus the following club regattas: Castle Loch Shield, Beverage Jug, Summer Regatta, September Regatta and RNLI Regatta (15 races.)

Discards will be calculated for each series/regatta (number of races sailed divided by two, rounded up, plus one (eg Eight races sailed – five to count; three races sailed - three to count).

Overall championship results will be calculated on the allocation of the following points for each series/regatta: Winner – 1 point, second – 2 points, etc, right through the fleet. Eg If 15 entrants take part in a series, the last placed boat will get 15 points. The overall winner will be the person with the lowest combined score.

Class championships – These will be calculated from the two Thursday night race series: Pure Class (11 races), Commodore's Cup (11 races).

Discards will be calculated as above in each series.

Overall class championship will be calculated as above.

The Chase – Held on the first Sunday of the month in June, July and August. Fun, informal sailing challenge based on a pursuit, with the slowest boats heading off round a course first and the faster classes timed to start at intervals thereafter, resulting (hopefully) in an exciting dash for the finish line. A bring-your-own-food bbq during/after sailing (weather permitting).

Supported practice (Tues evenings, late April til September) – Practice skills and have fun on the water. Safety boat cover provided.

Cadets/Novices coached racing (Tues evenings, June to September) – Informal, coached introduction to sailing for novices and improvers of any age (who've sailed for three seasons or less) and cadets (aged 18 and under).

Bart's Bash (Sept 16) – Take part in a worldwide sailing event to raise money for the Andrew Simpson Sailing Foundation, and afterwards enjoy a fun sailing challenge.

Race officers – All duty officers should read the Club Standard Sailing Instructions, race and safety procedures and safety policy and must turn up for duty at least one hour before the scheduled start of the event.

Safety officers – Safety boats must be driven in accordance with the club Health and Safety Policy. Drivers must have RYA Powerboat Level 2 and an RYA safety boat qualification is recommended. Courses are available throughout the season. Contact James Coles email james.coles@webpresentations.co.uk

Training and coaching –
